

My Book Review of

# Danny the Champion of the World

Title Danny the Champion of the World

Author Roald Dahl

Illustrator

I'd give this book.....  $\frac{10}{10}$

This book is about... Danny discovers his father is a poacher and takes pheasants from the nasty Lord of the Manor. Danny develops a new way of poaching pheasants using ruse and sleeping pills with spectacular results.

I love this book because...

I love all Roald Dahl books but especially this one because of the wonderful story.
