

My Book Review of Twinkletoes

Title Princess Poppy Twinkletoes

Author Janey Louise Jones

Illustrator Veronica Hayden

I'd give this book.....

$\frac{10}{10}$

This book is about... two girls called Poppy and
Homed. They want to learn to ride a pony.
David Sage the vet finds an ill pony.
They help him get better and then they ride
the pony. They call the pony Twinkletoes.

I love this book because... I like horses.

I love the main character called Poppy.
She pretends to be a Princess and
I like to do this too.

Here is my favourite character with 5 words to describe the way they look and 5 words to describe their personality.

Poppy looks beautiful with fair
hair. She has a pretty jacket.

She is friendly, helpful, happy and caring.
