**Persuasive review - why should other people read this book?**

I think that Candy floss is a really interesting book with situations you can relate too in class, with friends and family. Its about a girl called floss who is living with her mum, brother and her mums boyfriend. Every weekend she visits her dad at his cage. When floss was told by her mum that she was going to Australia for 6 months, floss has a huge decision to make. Will she stay with her dad thats clearly got a penny to his name or go on holiday in Australia with the kangaroos!

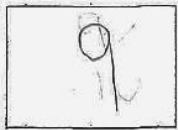

An emotional rollercoaster and a Spectacular story.
