

STOKE ROW C OF E PRIMARY SCHOOL

SCHOOL UNIFORM POLICY

Policy reviewed and agreed by: Teaching and Learning Committee
Date: August 2024
Next review: August 2027

1. Introduction

At Stoke Row Primary School we believe that wearing school uniform supports effective teaching and learning. It is our policy that all children wear school uniform when attending school and when representing the school in an organised event. The school follows the guidance from the Department for Education on school uniform.

[http://www.education.gov.uk/schools/leadersip/school ethos/b0014144/schooluniform](http://www.education.gov.uk/schools/leadersip/school%20ethos/b0014144/schooluniform)

We ask all parents of pupils at our school to support the school uniform policy. We believe that the majority of parents want their children to adhere to the school policy. Parents should therefore ensure that their child has the correct uniform and that it is clearly named, clean and in good repair.

2. Uniform details

A complete list of school uniform requirements is at Annex A.

Badged uniform items may be purchased from **My SchoolWear Didcot** either online or from the store.

[Stoke Row | Trutex Schoolwear Didcot \(myschoolwear.co.uk\)](https://myschoolwear.co.uk)

Non-badged uniform items may also be purchased from other retailers.

3. Jewellery

Children may not wear jewellery in school on health and safety grounds. The sole

exception to this is a watch or plain stud earrings, which MUST be removed for P.E and games lessons. Watches are worn to school at your own risk.

4. Hair

All children with long hair should have it tied back in a dark band. Any other hair accessories should be simple and either yellow or blue to match the school uniform colours.

5. Footwear

It is dangerous for children to wear shoes with platform soles, high heels, or sling-backs in school, so we do not allow this. It is also dangerous for children to wear shoes that are open-toed. These are not allowed to be worn in school either. Trainers (of any style or colour) are not part of our school uniform and should not be worn other than when pupils are participating in organised sports or games lessons.

6. Enforcement of Policy

Class teachers will inform pupils who are not in correct school uniform of this and try to explore whether there are any underlying reasons. Pupils who persistently breach the uniform policy will be referred to the Headteacher, who will involve the child's parent(s). In all cases the aim is to rectify the situation at the earliest opportunity, not to punish a child unnecessarily.

7. The Role of Governors

The governors' role is to ensure the uniform is appropriate and that it is implemented across the school. It will consider any representations from parents regarding the uniform policy and will seek to ensure that the policy is implemented fairly and with sensitivity. This includes due regard to equal opportunities and human rights issues. The governors will respect variations to school uniform if they are directly related to established religious traditions. However, any variation will be dealt with on an individual basis and judgements will remain at the discretion of the governing body and the Headteacher.

8. Changes to the Policy

Changes to the school uniform policy will be made by the Headteacher in consultation with the governing body. Parents will be given at least a full term's notice of any changes in the policy or additional items of uniform required.
